

WHAT ARE LEADERS SAYING?

"It was a watershed event. Our leaders suddenly found that they spoke a common language, there was room for various styles of ministry within the Model, and they gained the understanding of 'ministry TO men.'"

PASTOR M. WHITESELL, INDIANA

"Never have the men of our church been so alive! The No Man Left Behind Model has not only catapulted our men forward but it is revolutionizing our church. I have seen two primary results in the lives of our men in recent months: 1) A desire to disciple other men, and 2) A heart to love and serve their pastor."

PASTOR G. PETERS, FLORIDA

"I've been to a lot of seminars and conferences; the exceptional thing about this one was the emphasis on forcing us to actually put the concepts into a concrete plan before leaving."

PASTOR J. SCHWARTZ, TENNESSEE

"This training exceeded all I hoped for. I am starting a ministry to men from the ground up and needed this direction and a place to start."

M. LAKE, ALABAMA

"The live training has changed the way our church approaches reaching men. We talked back at the hotel for two hours Friday night, and then the whole way home Saturday from Pennsylvania to Ohio, about implementing some of the things we learned."

PASTOR T. CARNAHAN, OHIO

The No Man Left Behind Model helps churches create an environment **where the Holy Spirit inspires men to engage in life-on-life discipleship.**
