

The Leadership Training Center for Man in the Mirror presents

NO MAN LEFT BEHIND

In 1 ½ days, learn how to disciple every man in your church.

In business we say, "Your system is perfectly designed to produce the results you are getting."

It's the same in your church—your discipleship program is perfectly designed to produce the kind of men you have sitting there.

In the **No Man Left Behind Essentials**, we'll show you the principles, practices, and components of a ministry "perfectly designed" to produce changed men, families, churches and communities—not just short-term excitement, but real, long-term change. You will leave with the training, tools, and game plan needed to develop a **plan custom-designed for your church**.

Learn powerful keys to long-term success, such as how to...

- > **Create, capture, and sustain momentum** among men
- > Move from an isolated "men's ministry" mindset to an **all-inclusive ministry to men**.
- > Provide all types of men with a **credible next step** in their walk
- > **Maximize the effectiveness** of the programs already in place
- > Connect everything you do to **one compelling vision**
- > **Mobilize current leaders** and cultivate new ones

Who should attend?

The training is designed for leadership teams of pastors, men's leaders, laymen, and potential new leaders.
